REV. 01 del 25/11/2019

Alfa Omega S.r.l considers the high quality of its products and the satisfaction of its clients a priority and consistently invests in new resources concerning **RESEARCH AND DEVELOPMENT, PRODUCTION (ALSO FOR THIRD PARTIES), REGULATORY ASSISTANCE AND MARKETING** for:

- Food and dietary supplements
- Medical devices
- Cosmetics
- Homeopathic products
- Homeopathic veterinary products
- Premixtures prepared using animal feed additives

Our quality policy represents a benchmark and is pursued in all our actions. In order to achieve and maintain the highest levels of quality, *Alfa Omega S.r.l.* opted to equip the company with a management system in compliance with UNI EN ISO 9001:2015.

Notably, the company is committed to the achievement of the following goals:

- ❖ Enhancing the company's image and reputation on the market;
- ❖ Favouring the company's territorial growth and its input in new market areas;
- ❖ Establishing and consolidating close collaboration with current and potential clients;
- ❖ Maintaining its facilities and machines in excellent conditions, so as to ensure compliance with environmental standards and to provide a safe work environment, fulfilling the current legislation;
- ❖ Ensuring profit for the company, in order to reinvest in enhancing our know-how, focusing on innovation and technological development;
- ❖ Favouring the professional growth of our employees providing them with adequate training and qualifications, in order to guarantee that our organisational structure and human resources are always able to swiftly respond to and satisfy the company's and market's needs;
- ❖ Selecting, evaluating and qualifying our raw materials suppliers with the goal of obtaining high quality and long-lasting supplies;
- ❖ Ensuring compliance with the binding requirements concerning the products (HACCP and Regulation (EC) 852/2004; GMP and Legislative Decree 219/2006; Directive 93/42/EEC; Regulation (EU) 2017/745; Regulation (EU) 1129/2011; Regulation (EC) No 1170/2009; Ministerial Order 10/08/2018 and following updates; Directive (EU) 2019/983; Regulation (EC) 1223/2009; Regulation (EC) 183/2005).

Achieving such goals needs to be a priority for the whole company; it is the responsibility of the management and of the responsible for the quality management system to verify their fulfilment, and to periodically verify the system's adequacy.

Accordingly, the *Alfa Omega S.r.l.* management confers the authority to implement the System to the heads of the company and encourages all its collaborators to point out any suggestion to improve the System.

Lastly, the management is committed to distribute this Quality policy document to the *Alfa Omega S.r.l.* staff and to the company's stakeholders, using the appropriate means of communication.
